Lotus Label Industries

Lotus Label Industries is a reputed manufacturer, supplier, exporter of Woven Labels, Woven Patches (Fussing, Iron on, Self Adhesive and Merrowing) Satin Printed Labels, Cotton Printed labels, Digital Printed Labels, and Hang tags.

Owing its sharp clarity, detailed and elegant design, this range is widely

Appreciated by our clients.

Profile

Established in the year of 2002, we, "Lotus Label Industries", are one among the prominent Organizations engaged in manufacturing, exporting a wide collection of Woven Labels, Woven Patches (Fussing, Iron on, Self Adhesive and Merrowing) Satin Printed Labels, Cotton Printed labels, Digital Printed Labels, and Hang tags.

This offered range of ours is designed and Manufactured under the supervision of our skilled team of professionals, considering the prevailing market and fashion trends in accordance with the international quality norms.

We are making use of **OEKO TEX CERTIFIED** best quality raw-material like fabrics, threads, yarns and allied material sourced from

the famed vendors of the market to manufacture this range, in order to retain its excellent quality, longer life, tamper resistant and excellent finishing for better appearance.

Catering to various garment industries, this range is used for providing an unique brand identification to their products and are thus offered in various colors, design, shapes and size as per our clients requirements.

Our organization has developed a sophisticated and modern infrastructure facility, which supports us in carrying out all the organization activities in a systematic manner, We have segregated the facility into various individual departments such as manufacturing, quality testing R&D, packaging and warehousing, administrative and other for the proper management of our facility. We have facilitated all the these departments with latest and cutting-edge technologies, as par the globally advanced technology.

This facility is managed by a dexterous team of Professionals, who holds vast experience and in-depth knowledge of the domain. These team members are experts in weaving, and management, appointed by conducting various tough recruitment tests.

With the support of this team we hold expertise in meeting the exact requirements of our clients within the farmed time.

Under the headship of our mentor Mr Alpesh Sherkar, our organization is moving ahead in this cutting-edges competition. Owing to his excellent skills and experience, we have been proficient to carve a niche in this very competitive domain.
